

SHARING
MANUFACTURING
EXCELLENCE

What is Inside Industry?

A unique factory visit programme that not only allows you to learn best practice tools and techniques from some of the region's most successful businesses, but also helps you put into practice what you've seen back at your own company.

What can it do for my business?

- **Learn new ways to boost your productivity and save £££s**
- **Get your people involved so they can actively help you become more profitable**
- **Stay ahead of the competition by keeping on top of continuous improvement - there are ALWAYS new ways to improve**
- **Benchmark your performance**
- **Meet and network with new contacts on a similar path to you**

Inside Industry is delivered by the Manufacturing Advisory Service, Yorkshire & Humber (MAS)

www.insideindustry.co.uk

What's involved in a visit?

Each visit offers you an in-depth presentation on the company's specialist area, a full site tour, question and answer sessions and excellent networking opportunities. Plus we'll follow it up with a free manufacturing review for your business.

Regular topics have included:

Lean

Resource efficiency

Business turnaround

Workforce empowerment

Manufacturing strategy

Company hosts have included:

AESSEAL plc

Gripple

Kostal UK

Davy Markham

WT Johnson

See It

See how other manufacturing companies have mastered the challenges facing you now.

Get in amongst it on the factory tour. Drill down and talk to the people working on the shop floor.

Go beyond the theory, see the practical solutions first hand.

Question It

Ask the questions you need to know, not what people want to tell you. Get real answers from real people.

Find out how others have over-come setbacks and recognised their limitations, it's not all 'plain sailing'.

Learn It

Pick up best practice tips and techniques that can easily be applied into your own business.

'Learning made practical' - helping you make the link between theory and real-life application.

Digestible for anyone with a background in manufacturing.

Use It

Don't just walk away wondering what to do next, get a free days support from MAS to help you put into practice what you've learnt at your own company.

Get networking and keep in contact with others to find out how they are getting on.

Share It

Benchmark your performance and find out how good you really are.

Exchange your own ideas and experiences with others.

Build a network of like-minded contacts.

5 EASY STEPS TO START TAKING PART:

- Visit our website www.insideindustry.co.uk
- Pick a topic or host company that interests you and your business
- Book your place online or call us on **0870 125 3311** for more information
- Go along to a visit and learn tips on how to improve your business performance
- Start reaping the benefits!

What others have said about Inside Industry:

“A great introduction to Lean, we will definitely be pursuing this ourselves”

“Very good to see tools and techniques being used properly and gaining the benefits of using them”

“An excellent visit, reassuring to know others have the same issues as us. Confirmed we are on the right track but still plenty of work to do”

What will it cost me?

Just a morning of your time at £95 for the first person, and £50 for each additional person from your company. This includes an in-depth presentation on the company's specialist area, a full site tour, question & answer sessions and networking, and we'll even throw in lunch.

SHARING MANUFACTURING EXCELLENCE

Check our website regularly for the latest range of key topics and companies inviting you to visit their factory.
